I HAVE AN UPCOMING ASSIGNMENT. NOW WHAT?

Secretary of Defense 22 May 2020 memorandum titled, *Transition to Conditions-based Phased Approach to Coronavirus Disease 2019 Personnel Movement and Travel Restrictions*, reissued travel restriction guidance for DoD Components that will remain in effect until further notice (Attachment 1).

The Secretary of Defense has authorized the resumption of unrestricted travel including Permanent Change of Station (PCS) and temporary duty (TDY) when specific conditions-based criteria have been met. This conditions-based authority relies on an assessment and reporting system supporting safe and coordinated travel. Travel to specific installations, states, territories, and host nations (HN) will be based on the verified capability for service members and dependents to conduct safe travel and reception.

All uniformed personnel and their sponsored dependents will continue to stop movement, both internationally and domestically, while this memorandum is in effect, subject to the exemptions and waivers described herein (see Part I.3 and I.4). Dependents, whose transportation is government funded, will also stop movement. Concurrent Travel is not automatically approved unless specifically exempted herein.

Except as provided below, this stop movement directive applies to official travel, including TDY travel; permanent duty travel, including PCS travel; and travel related to Authorized and Ordered Departures issued by the Department of State.

Official travel is authorized when:-

- (1) Conditions-based criteria for unrestricted travel may resume when the criteria for states/territories/host nations AND installations are met for both the gaining (destination) AND losing (origin) locations (Part I.2); or
- (2) Service member meets exemption criteria (Part I.3); or
- (3) Service member has a waiver to travel signed by the appropriate waiver authority as defined in this guidance (Part I.4).

Service member concerns regarding changes to conditions to or from a location due to COVID conditions should be elevated to their command or MPF for further guidance.

Service members traveling to overseas destinations are directed to review the Foreign Clearance Guide (FCG) <https://www.fcg.pentagon.mil/fcg.cfm> for information pertaining to their destinations countries. Service members must ensure all host-nation requirements are met for their entire traveling party (to include dependents) prior to arrival to the country.

The Secretary of the Air Force directs surveillance of travelers under Department of the Air Force (DAF) purview and strict adherence to restriction of movement (ROM) guidelines and testing protocols as set forth in Attachment 2, including in response to all host nation requirements. In addition to personal health protective measures recommended by the CDC and implemented throughout the DoD, such as wearing of face masks, social distancing, hygiene and sanitation, known to be effective in limiting coronavirus disease 2019 (COVID-19) transmission, additional requirements and actions for official travel-associated ROM and testing protocols are specified within this message.

(As of 11 Feb 2021)

The number of COVID-19 cases can be found on the CDC website at <https://www.cdc.gov/coronavirus/2019-ncov/summary.html>, a real-time listing of countries affected can be found at <https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>. You can also access information on the Air Force's Personnel Center Facebook page, www.facebook.com/airforcepersonnelcenter and on the U.S. Air Force page at <https://www.af.mil/News/Coronavirus-Disease-2019/>.

I AM OVERSEAS AND MY DEROS IS APPROACHING AND HAVE AN ASSIGNMENT, NOW WHAT?

DEROS and RNLTD extensions due to previous COVID-19 Stop Movement and the associated "Re-Flow" plan have been made in accordance with the Assignment DEROS and RNLTD "Re-Flow" due to Coronavirus (COVID-19) Restrictions message. Please review the following myPers article for more information about DEROS and RNLTD changes: https://mypers.af.mil/app/answers/detail/a_id/46605

I HAVE AN ASSIGNMENT AND WAS SUPPOSED TO HAVE MY HHGS PICKED UP. WHAT DO I DO?

For general questions prior to movement of HHG, NTS or POV those members can contact their local transportation office. Members can also refer to the Personal Property Activity - Questions and Answers (COVID-19) and Air Force STOP MOVEMENT of Personal Property Guidance (20-015B) located at: https://mypers.af.mil/app/answers/detail/a_id/46624

I AM OVERSEAS BUT PROJECTED TO ATTEND AN AETC COURSE AND/OR PROJECTED TO BE AN INSTRUCTOR. CAN I STILL PROCEED?

Student and instructor travel associated with uniformed personnel Recruiting and Accessions activities, to include accessions, basic training, advanced individual training (Initial Skills Training (IST), Technical Training and Retraining), and follow-on travel to the first duty station require coordination between losing and gaining commander before departure is required. It is recommended that anyone proceeding to a scheduled course of instruction check the status of AETC and PME courses listed under the COVID-19 Guidance links, https://mypers.af.mil/app/answers/detail/a_id/46624, Force Development, in advance of departure.

WHAT IS CLASSIFIED AS MISSION-ESSENTIAL TRAVEL?

Mission-essential travel refers to work that must be performed to ensure the continued operations of mission-essential functions as determined by DoD component.

I HAVE A TRAVEL WAIVER, WHO IS THE APPROVAL AUTHORITY?

Approval authority for travel waivers belongs to the first officer in the grade of O-6, or a civilian equivalent, in the individual traveler's chain of command or supervision. Delegations previously authorized under previous guidance remain in effect until those delegations are rescinded or superseded

Documentation of the waivers must include the determination whether travel is mission-essential; necessary for humanitarian reasons; or warranted due to hardship. Waivers shall be coordinated between the gaining and losing organizations, are to be executed on a case-by-case basis, must be determined to be in the best interest of the U.S. Government, and shall be documented in writing and

(As of 11 Feb 2021)

signed by the authority granting the waiver. Waiver template is at Attachment 8. Individual travel orders must also document any waiver that is granted for the traveler.

WHY DO BOTH INSTALLATIONS HAVE TO BE “GREEN” IN ORDER TO PROCEED?

Per DoD guidance released 22 May 2020, transitioning from Stop Movement to condition-based phased approach to personnel movement; the “conditions to resume unrestricted travel rest on two overarching factors: 1) state and/or regional criteria based on the White House's Opening Up America Again guidelines (reference (b)), and 2) installation-level criteria based on conditions in and surrounding DoD installations, facilities, and locations.” Until those conditions are met, we remain in an international and domestic stop movement.

WHO DETERMINES WHICH LOCATIONS ARE GREEN?

Under Secretary of Defense for Personnel and Readiness will continuously assess each U.S. state, district, or territory and nations that host greater than 1,000 permanently assigned DoD personnel. The Secretaries of the Military Departments, Commanders of the Combatant Commands, and the Chief Management Officer will continuously assess each DoD installation, facility, or location under their purview for the feasibility of lifting travel restrictions.

WHO AUTHORIZES “THROUGH” TRAVEL THAT IS NOT MARKED GREEN OR WILL CAUSE A REROUTE?

Commanders (or equivalent) may approve Service members to transit through locations that are not cleared for travel in order to get to their destination; but Service members may be required to comply with appropriate ROM and testing protocols before or upon arrival as required by the destination host nation. Installations and commanders, in a coordinated effort, must work together to partner with installation communities to ensure Service members, and DoD family members meet host nation requirements within timelines.

IS CIRCUITOUS TRAVEL AUTHORIZED?

Yes, Circuitous travel is authorized, please see above FAQ, WHO AUTHORIZES “THROUGH” TRAVEL THAT IS NOT MARKED GREEN OR WILL CAUSE A REROUTE? if routing through a state or country that does not meet unrestricted travel conditions.

WILL WE HAVE ANOTHER DEROS REFLOW?

There will no longer be a DEROS reflow as travel is now conditions based.

IS THERE A PROCESS IN PLACE IF THE GAINING LOCATION CHANGES TO RED ENROUTE?

If a location is reclassified and no longer meets conditions-based travel criteria: (1) **While a Service member is PCS enroute to that location**, the gaining command will review the situation and is authorized to permit continued movement. (2) **While a Service member is PCS enroute to that location**, and the gaining command does not authorize continued movement the Service member must immediately contact the losing command and MPF to be placed in TDY Hold IAW Part I.6. (3) **Prior to a Service members PCS final out-processing appointment at the losing location**, the Service member should determine whether a travel exemption applies (see Part I.3) or seek a waiver (See Part

(As of 11 Feb 2021)

I.4). Service members may also initiate a RNLT/DEROS change for an initial length of time no longer than 60 days (see Part III). (4) Service members concerns regarding changes to conditions to or from a location due to COVID-19 conditions should be elevated to their command or MPF for further guidance.

WHO VALIDATES THROUGH LOCATIONS ARE GREEN AND THE APPROVAL AUTHORITY IF TRAVEL THROUGH LOCATION IS RED?

The MPF should validate the member's travel path is cleared. Gaining commander or equivalent is the approval authority if travel through a location is red.

ARE WE AUTHORIZED TO PROCEED TO AFIT COURSES/PROGRAMS?

Members that are attending AFIT course/programs should contact their registrar office to verify if the courses/programs still have projected start date within the next 60 days.

I HAVE A LOW COST PCS, AM I AUTHORIZED TO PROCEED?

Members that have been approved for Low Cost PCS, are authorized to proceed without an ETP.

I HAVE ALREADY DROPPED OFF OR SHIPPED MY POV FOR MY UPCOMING PCS, BUT HAVE NOT PACKED/SHIPPED HHG'S. AM I ABLE TO PROCEED UNDER A PRE-APPROVED EXEMPTION?

No, POV drop-off/shipment alone does not grant automatic exemption under Stop Movement. Individuals facing severe hardship due to POV issues should discuss options with their chain of command.

HOW DO I REQUEST AN ASSIGNMENT EXTENSION, DEFERMENT, OR CANCELLATION REQUEST BASED OFF OF A PERSONAL HARDSHIP CAUSED BY THE STOP MOVEMENT OR COVID-19?

RNLT/DEROS extension Requests: Individuals may request to extend their RNLT and DEROS to ensure Service member and/or family stability; however, changes to RNLTs and DEROS' impact the losing and gaining unit and may affect the departure of the Service member being replaced. Requesting changes should only be requested when a hardship exists or when in the best interest of the Air Force.

See Personnel Services Delivery Guide, [RNLT Change Request](#), for procedures on requesting a RNLT change via myPers or vMPF. AFI 36-2110, *Total Force Assignments*, paragraph 6.5.6 outlines DEROS extension request options and procedures.

Please review the following myPers article for more information about DEROS and RNLT changes: https://mypers.af.mil/app/answers/detail/a_id/46605

Assignment Deferral Requests (non-EFMP/Humanitarian): Deferral from reassignment may be appropriate to ensure family stability when the Service member's continued presence is absolutely essential. Only one assignment deferral is permitted; therefore, if an individual is already deferred under a different program (i.e. EFMP/Humanitarian deferral), he/she will not be approved for a

(As of 11 Feb 2021)

subsequent deferment under this guidance without an extreme hardship being presented in the initial request. Commander endorsed requests should be submitted to afpc.dp3am.workflow@us.af.mil.

Assignment Cancellation Requests: If an individual is not in a mandatory PCS move status and selected as a volunteer for an OS long tour, he or she may request cancellation of the assignment through his or her assignment Noncommissioned Officer (NCO), or officer assignment team. Although, approval of the request is not automatic, every effort will be made to accommodate and approve such requests consistent with the needs of the Air Force. Commander endorsed requests should be submitted to MPF and MPF will forward request via CMS to the appropriate AFPC Assignment Team.

Colonels/Chiefs: For colonels (including selectees), and chiefs (including selectees), the final approval authority is AF/DPO and AF/DPE, respectively. MPFs will send requests to the appropriate OPR for consideration.

Join Spouse Consideration: When an USAF/USSF member is married to another Service member and desires join spouse consideration, a join spouse intent letter must accompany his or her application in order for the military spouse to also be considered for assignment action.

Humanitarian/EFMP: For requests based on Humanitarian and EFMP considerations, continue to follow AFI 36-2110 guidance covered in para 2.18 (EFMP) and Attachment 16 (Humanitarian).

AS AN MPE, HOW DO WE PROVIDE PERSONNEL SUPPORT FOR IMPACTED MEMBERS?

Please thoroughly review guidance in the “Stop Movement and Concurrent Guidance Related to Travel Restrictions Due to the Coronavirus Disease (COVID-19)”. This document covers the stop movement order and concurrent travel guidance in addition to TDY hold guidance. For Outbound Assignments sections, further guidance will be relayed via official channels to track and report personnel who have out-processed and departed for PCS but have not yet signed in.

NOTE: In addition to verifying location requirements in the Foreign Clearance Guide, <https://www.fcg.pentagon.mil>, anyone planning to travel to overseas destinations are advised to individually review the U.S. Department of State’s website for up-to-date overseas travel information for destination countries and the Emergency Alert for Coronavirus page at <https://travel.state.gov/content/travel.html>.

WHAT IS BEING DONE TO ENSURE OUR SERVICE MEMBERS ARE SAFE IN THEIR TRAVELS AND KEEP THEM HEALTHY?

While the COVID-19 pandemic still presents risk to DOD Service members, their families, and our civilian workforce, improving conditions warrant a transition in our approach to domestic and overseas personnel travel to a conditions-based, phased approach to personnel movement and travel (Attachment 1). The memo cancels previous travel restrictions (April 20, 2020) and reissues guidance for DOD components that will remain in effect until further notice. We encourage all DoD personnel and families to visit <https://www.defense.gov/Explore/Spotlight/Coronavirus/> for tips on staying healthy.

(As of 11 Feb 2021)

WHY WERE TRAVEL RESTRICTIONS IMPLEMENTED?

In order to help limit COVID-19's spread and its impact on the force, the Secretary of Defense instituted travel restrictions for all travel.

AM I AUTHORIZED TO TAKE LEAVE WITH MY PCS?

Leave travel for military members (Regular AF and Reserve Component members in an active duty status) is exempt from COVID-19 travel restrictions. IAW Stop Movement and concurrent guidance Part I.3I. Eligible families are authorized to proceed to AA before, after, or upon the Service members departure from losing station.

I HAVE A JOIN SPOUSE ASSIGNMENT, CAN I PROCEED?

Mil-to-Mil couples that currently do not live in a joint domicile are not eligible to PCS without an approved waiver.

Example: SSgt Z and SrA Q are married. SSgt Z is stationed at Randolph while SrA Q is stationed at Langley. SrA Q has a Join Spouse assignment to Randolph. SrA Q cannot proceed without an approved GO/FO/SES waiver.

Mil-to-Mil couples that currently live in a joint domicile are eligible to PCS together without a waiver as long as one member of the couple is exempt from Stop Movement IAW Part 1, Para 3.

Example: Maj Y and Capt G are married. Both individuals are stationed at Scott with assignments Travis. Maj Y is currently exempt from Stop Movement IAW Part 1, Para 3. Capt G may proceed on the join spouse assignment without an additional waiver.

(As of 11 Feb 2021)

WHAT ARE THE RETAINABILITY REQUIREMENTS WHEN RNLTD/DEROS WAS INVOLUNTARILY EXTENDED?

Service members are required to get the full retainability required to take an assignment as outlined in AFI 36-2110, *Total Force Assignments*, paragraph 5.28.

Effective 19 October 2020, the waiver for additional retainability for Service members whose DEROS and/or RNLTD were involuntarily extended due to the COVID-19 Stop Movement Reflow is cancelled.

WHAT IS THE STATUS OF PERSONNEL PROCESSING CODE (PPC) WAIVERS?

MAJCOMs have determined that certain PPC requirements are waived. The Officer/Enlisted PPC tables reflect the waived requirement and MPFs must review the waived requirements.

I AM AUTHORIZED TO RETURN TO MY OCONUS PERMANENT DUTY STATION IAW AF GUIDANCE, AM I ALLOWED TO UTILIZE SPACE A FOR THE TRAVEL?

Per AMC/A4, Service members who are utilizing Space A for leave purposes will require a signed waiver to travel, even if traveling under an exemption in AF myPers guidance. Additionally, Service members must meet all host nation travel, ROM, and COVID-19 testing requirements for the country they are traveling into.

WILL I BE ALLOWED TO PCS TO MY SCHEDULED PME OR ATTEND SCHEDULED JPME?

Air Force and Sister Service schools are pre-decisional at this time and must be prioritized among other PCS must moves. JPME will be prioritized along with Service schools. Final determination is forthcoming.

I AM SCHEDULED TO GO ON A DEPLOYMENT. WILL MY DEPLOYMENT BE CANCELLED? WHAT SHOULD I DO, WHO SHOULD I CONTACT?

Global Force Management activities will continue with coordination between the Combatant Command, the Joint Staff, and the appropriate Service. It is important that deploying members remain in contact with their IPR, UDM and Chain of Command as there have been instances in which pre-deployment training and/or deployments have been delayed. As more information becomes available, we will pass it on or you will be contacted through your chain of command.

I AM TRAVELING INTERNATIONALLY, WHERE CAN I FIND COUNTRY SPECIFIC REQUIREMENTS PRIOR TO INITIATING TRAVEL AND ARRIVAL TO NEXT PERMANENT DUTY STATION?

Service members traveling internationally are directed to review the Foreign Clearance Guide (FCG), <https://www.fcg.pentagon.mil/fcg.cfm>, for themselves and their entire traveling party (to include dependents) to ensure that all country requirements are met prior to arrival. Country-specific requirements are dynamic and updates may be made after departure from the losing location but prior to arrival to the gaining country; the FCG should be referenced early and often during travel planning and execution of travel.

IS COVID-19 TESTING REIMBURSABLE WHILE ON LEAVE?

For leave, whether funded or unfunded, any required testing is not reimbursable, but is a personal expense, Tricare may cover the expense.

SHOULD I CONTINUE TO TRAVEL IF MYSELF AND OR/DEPENDENTS TEST POSITIVE FOR COVID-19?

Service members/Dependents should not travel if they have tested positive for COVID-19 and/or have not yet met the criteria for discontinuing isolation, are symptomatic, or are pending COVID-19 test results. Travel should be delayed if, in the past 14 days, they have been in close contact, as defined by CDC, with someone who has tested positive for and/or been symptomatic of COVID-19.

HOW LONG IS THE EXPECTED TRAVEL DELAY IF MYSELF AND/OR DEPENDENTS TEST POSITIVE FOR COVID-19?

FCG.

O1. I HAVE AN EXCEPTIONAL FAMILY MEMBER PROGRAM (EFMP), EXPEDITED TRANSFER (ET) OR HUMANITARIAN PCS TO OR FROM AN IMPACTED LOCATION, NOW WHAT?

A1. Specific PCS guidance for military Service members are outlined in the “[STOP MOVEMENT and Concurrent Travel Guidance Related to Travel Restrictions due to the Coronavirus Disease \(COVID- 19\)](#).” Review Parts I and II in their entirety for current guidance regarding concurrent travel for dependents. Service members who have a projected EFMP, ET or Humanitarian PCS **are not** automatically considered exceptions to the travel restrictions in effect. Exceptions may be granted in writing for **compelling cases** when travel is determined to be mission-essential, necessary for humanitarian reasons, or warranted due to extreme hardship. Part I, paragraph 3. provides additional guidance for Service members seeking an exception. Individuals traveling under an exception listed under this paragraph, including those traveling as part of a Department of State-issued Authorized Departure, are subject to travel screening protocols as provided in Attachment 2.

O2. WHY DO I HAVE TO SEEK AN EXCEPTION TO THE CURRENT TRAVEL RESTRICTIONS IF I HAVE A HUMANITARIAN PCS TO OR FROM AN IMPACTED LOCATION WHEN “HUMANITARIAN REASONS” IS SPECIFICALLY LISTED?

A2. Humanitarian Assignments are approved for a multitude of reasons: adoption, terminal family member, disasters, deaths, etc. **These exceptions are to be done on a case-by-case basis, shall be limited in number**, and shall be coordinated between the gaining and losing organizations. Requests for exception follow guidance in Part I, paragraph 3.

O3. MY FIRST GENERAL FLAG OFFICER OR MEMBER OF THE SENIOR EXECUTIVE SERVICE IN MY CHAIN OF COMMAND / SUPERVISION HAS APPROVED MY EXCEPTION FOR MY EFMP, ET OR HUMANITARIAN ASSIGNMENT, BUT MY RNLTD AND/OR DEROS WERE PUSHED 60 DAYS, NOW WHAT?

A3. [Approved exceptions will not be processed/routed through AFPC/DP3AM for final review or approval; however, if changes to recently extended RNLTDS and/or DEROS’ are required to allow movement, Service members are to work with their servicing MPS/MPF for submittal. MPS/MPFs will submit the Service members request with the signed approval to \[afpc.dp3am.workflow@us.af.mil\]\(mailto:afpc.dp3am.workflow@us.af.mil\). Opening a CMS ticket is not required.](#)

O4. CAN I STILL APPLY FOR A HUMANITARIAN, ET OR EFMP REASSIGNMENT DURING THE STOP MOVEMENT?

A4. Yes. Normal operations have not ceased for the Special Assignment Programs Team. We continue to accept and process applications. PCS’ approved during the Stop Movement will be provided an RNLTd of July 2020 at the earliest, and DEROS of June 2020 at the earliest. Early reporting is not authorized. Departure prior to the expiration of the travel restrictions identified within “[STOP MOVEMENT and Concurrent Travel Guidance Related to Travel Restrictions due to the Coronavirus Disease \(COVID-19\)](#)” is not authorized without an approved exception.

(As of 11 Feb 2021)

O5. WHERE CAN I FIND THE STATUS OF MY EFMP, ET OR HUMANITARIAN PCS APPLICATION DURING THE STOP MOVEMENT?

A5. The status of a pending application can be found by contacting the Total Force Service Center (TFSC) at (210) 565-0102. At this time, the TFSC continues to provide support to all Service members, 24 hours a day, 7 days a week. Updated status reports are provided to the TFSC each Monday and Thursday from our Case Management Team. We appreciate your patience as we work diligently to respond to global inquiries and prioritize applications.

O1. THS STOP MOVEMENT GUIDANCE INDICATES THAT RETIRING AND SEPARATING SERVICE MEMBERS ARE EXEMPT FROM THE TRAVEL RESTRICTIONS. DOES THAT MEAN SERVICE MEMBERS CAN TAKE PERMISSIVE TDY AND TERMINAL LEAVE?

A1. Service members retiring or separating are exempt. Travel is authorized to take transition leave. All other leave not associated with transition leave is governed by existing travel restrictions. Service members who are unable to schedule household good shipments or travel due to local restrictions or shelter-in-place initiatives may request changes to their retirement/separation dates via myPers.

O2. CAN RETIRING AND SEPARATING SERVICE MEMBERS PARTICIPATE IN THE SKILL BRIDGE PROGRAM?

A2. Military Service members retiring or separating are exempt from the STOP MOVEMENT travel restrictions and may participate in an approved Skill Bridge program. While exempt from the STOP MOVEMENT travel restrictions, Service members are subject to applicable travel screening protocols.

O3. MAY I REQUEST A CHANGE OR WITHDRAWAL OF MY RETIRMENT/SEPARATION DATE BASED ON THE CURRENT SITUATION?

A3. Since retiring and separating members are exempt from the STOP MOVEMENT travel restrictions, requests for date changes or withdrawals must be justified and include supporting evidence that clearly shows how approval would be in the best interest of the AF or that you are experiencing an extreme personal hardship uncommon to other military members. Approval will be based on the justification provided and the manning in your AF specialty.

O4. I'M ASSIGNED TO A REMOTE SITE OVERSEAS THAT DOES NOT HAVE THE FACILITIES FOR ME TO COMPLETE OUT-PROCESSING. WHAT SHOULD I DO?

A4. If you are stationed at a location overseas that does not have the facilities for out-processing, you may request travel to a Separation Processing Base (SPB) in the United States to complete the required actions. The SPB location must be the Air Force base in the United States that is closest to your Home of Selection or leave address, which has a Military Personnel Flight and Financial Services Office. Time spent at a SPB is limited to no more than 8 duty days to allow you to complete the medical and dental clearances, TAP program, travel vouchers, permissive TDY/terminal leave requests, and turn in items like family member government-issued passports.

Recommend you contact the SPB location in advance of travel to determine their availability and

(As of 11 Feb 2021)

schedule your arrival accordingly. Please review the Personnel Services Delivery guide on myPers for more information on the SPB program.

Q5. DUE TO SOCIAL DISTANCING PROCEDURES IMPLEMENTED AT MY INSTALLATION, THE TAP BRIEFING HAS BEEN CANCELLED AND MY DEPARTURE DATE IS APPROACHING. WHAT SHOULD I DO?

A5. Most Service member & Family Readiness Centers (A&FRCs) are minimally manned or teleworking; however, counselors are able to conduct Initial Counseling, Pre-separation Counseling and Capstone via Skype, FaceTime or telephonically. Additionally, if you need to complete the TAP Workshop or required two-day tracks, you can do so virtually through the Joint Knowledge Online website. Please contact your local A&FRC for more information.

Q6. SINCE I AM RETIRING/SEPARATING. CAN I STILL SCHEDULE MY HOUSEHOLD GOODS PICK-UP WITH THE LOCAL TMO?

A6. Retiring and separating members should not be hindered from scheduling household goods movements. Please contact your local TMO to schedule your pick-up or for more information.

Q7. I AM CURRENTLY DEPLOYED, BUT HAVE AN APPROVED SEPARATION/ RETIREMENT. DEPLOYED MEMBERS ARE CURRENTLY UNDER STOP MOVEMENT FOR REDEPLOYING. AM I ABLE TO REDEPLOY TO HOME STATION IN ORDER TO OUTPROCESS FOR MY SEPARATION OR RETIREMENT?

A7. Yes, you will be able to redeploy to home station to execute your separation or retirement. Service members with an approved separation or retirement are exempt from the STOP MOVEMENT and considered must movers. Refer to your servicing PERSCO Team for specific redeployment guidance. Members will be returned to home station with enough time to have at least 30 days to outprocess.

Q8. DO SERVICE MEMBERS RETURNING FROM DEPLOYMENT GET TIME ADDED TO THEIR DOS IF THEY ARE SUBJECTED TO 14-DAY QUARANTINE AFTER ARRIVAL (ARE THEY ENTITLED TO 30 DAYS)?

A8. No, Service members returning from deployment will need to conduct the 14-day quarantine during the 30 days. Service members need to be aware of current travel restrictions and must comply within the confines of current policy.

A9. If SHPEs cannot be accomplished via face-to-face due to mission critical limitations MTFs may employ the option to conduct virtual SHPE appointments.
